

Christmas Course Topics

All classes will be intensely exam-orientated and the topics covered are designed to reflect some of the key and essential areas of each of the subjects on offer. If not attached to this information leaflet, please call our office to obtain a detailed list of topics.

Our Tutors

Our tutors have an excellent teaching reputation. They are highly motivated and highly experienced. Our success rate has been proven time and again over the past thirty-five years. Every effort is made to ensure that students obtain maximum benefit from their time spent studying and attending classes at the Galway Study Centre.

Tutors put a lot of work and time into preparing class notes for students who attend the Study Centre. These include summaries of topics dealt with in class, model answers, reference notes, etc.
