#### PLEASE NOTE:

1. The above courses will focus on the requirements of the Leaving Cert. Oral Examinations and the expectation of the examiners. Many topics will be discussed with the main emphasis on helping students to express themselves confidently in French, German or Irish. The layout and marking schemes of the oral examinations will also be explained.
2. An **outline of the course topics** if not listed overleaf, is available from the office.
3. Groups will be kept reasonably small. Tutors will endeavour to give as much individual attention as possible and will provide detailed handouts.
