1. There is one class every day for each subject, i.e. five classes in total.
2. Students should bring along copies of the past examination papers.
3. Fees are payable in advance and are strictly non-transferable.

### CLASS NOTES

Our tutors spend considerable time and effort preparing class notes for students who attend the Study Centre. These include summaries of topics dealt with in class, model answers, reference notes, etc.

### EXAMINATION AND STUDY TECHNIQUES

As part of the Centre's policy, we place special emphasis on the teaching of sound examination techniques, incorporating the use of past examination papers in all classes.

### OVER THIRTY YEARS TRACK RECORD

Established since 1983, the Galway Study Centre has been in existence for thirty years. It is our successful track record which continues to attract new students to our Centre.
