# Algebra, Functions & Trigonometry

## AUGUST 3 DAY PREPARATION COURSE

Leaving Certificate (2017) Higher Level Mathematics

Monday, August 22<sup>nd</sup> to Wednesday, August 24<sup>th</sup> 2016  
(Time: 10 a.m. to 1 p.m. each day)

This is an important course for higher level Mathematics students who will be commencing their final Leaving Cert year in September 2016. It will focus on the most important topics on the syllabus, Algebra, Functions (Differentiation) and Trigonometry. In addition, an analysis of the June 2016 papers will be undertaken.

While we will aim to build on the material that has already been presented to our pre-Leaving Cert Mathematics classes at Mill Street during the 2015-'16 school year, our August course should be of great benefit to students who have never taken Mathematics classes at Mill Street.

### Study Notes

Sets of notes/solutions will be given to each student
