The Study Centre will run three higher level seminars in Mathematics in the period February to May 2015. These are in effect intensive revision one day courses focusing on the key topics on the new syllabus. Numerous sample questions will be worked through. There will also be a strong practical element and students will have lots of opportunities to attempt their own answers to many of the questions under review.

Course Tutor

Dr. Bob Loughnane is one of the best known and most experienced Mathematics teachers in the west of Ireland. He has had high success with his students at the Study Centre since we opened over 30 years ago.

Seminar Notes.

A set of notes and solutions will be given to each student.
